Tonight we shall gather with friends and with foe
To share our deep questions, laughter and woe;
Through poetry, music and the odd little dance
We trust that you'll come prepared in advance
With Great Artist's Works or Great Works of your own
To share with us your fantastic show.
Your improvisational talent please bring along
Make us all laugh with your poems or your song.
Come get a fun taste of what we do think,
come drink coffee, engage, or just blink.
